2nd-R1P14 = 2nd place finisher in Round 1, Pool 14 based on the final standings for that pool.

Tm3 R1P20 = Team # 3 in Round 1, Pool 20 based on the preassigned number slot for that team.

## MATCH FORMATS

## TIE BREAKING PROCEDURES

There will not be any playoff games to break ties in pool play. The following are tie-breaking procedures for the league.

### **TWO TEAMS TIED FOR A POSITION (Identical match records)**

1. Tie breaker will be their head to head match up.

### **THREE TEAMS TIED FOR A POSITION (Identical match records)**

If 3 teams are tied in match record, the ties are broken by applying the following steps, in order, without repeating any step. Head to head results will not be used at any time in breaking a three way tie.

1. Determine each team's set percentage (divide each team's total sets won in the pool by the total sets played). The team with the highest set percentage is first.
2. If some or all of the teams have the same set percentage, then determine the point percentage of the teams that are still tied (divide each team's total points scored by the total points scored against them by all opponenets played). Of the teams still tied, the team with the highest point percentage has the next highest finish in the pool (finishes first or second, depending on the outcome of the set percentage).
3. If two or more teams are still tied, then a coin toss.
