Housing

We have found wonderful partners in TeamInn and Conference Direct to handle all our housing needs. When searching for a housing service, our #1 priority was customer service. This is our 6th season working with Conference Direct and our second season with TeamInn, creating an even higher level of customer service. They have arranged for a variety of hotel options for your teams. After you register on AES **AND** JVA receives your payment for the West Coast Cup, you will receive a confirmation email including a link to the hotel booking page and the password you will need to enter on that page. You can also access the form by clicking on this link: [2018 JVA West Coast Cup Housing](#). We recommend that you reserve your hotel rooms as soon as possible. You will need to reserve your rooms with a credit card.

- **The JVA does not have a “Stay to Play” policy.** We have secured the best prices available and hope that you will use the rooms in our block. In addition, our housing services, **TeamInn and Conference Direct**, have arranged for incentives for teams to block rooms under our contract. JVA receives \$10/room booked which helps support the mission of JVA. This event is one of our only major fund raisers. In addition, we are in line to receive a substantial credit to our cost for the convention center based on the number of rooms booked in the Cleveland area. The room pick-up also impacts our negotiations with the convention center for best pricing in the future.
- **Incentives to use JVA Housing:**
 - For every 60 rooms booked and utilized per night, the club will earn one complimentary room for that night (players, parents and coaches must participate).

Hotel Cancellation Policy for West Coast Cup:

Cancellations must be made directly thru the hotel. All cancellations will adhere to each hotel’s individual cancellation policy. Please make sure you are aware of your hotel’s cancellation policy. Tournament Souvenirs

Rules of Play

JVA will follow the 2017-2019 USAV Indoor Domestic Competition Regulations for all JVA hosted events. For 2017-2019, we will follow the previous rule regarding positional and rotational faults and not use the USAV Test Rules: 7.3.5.3, 7.5.4 and 7.7.2.

Match Format / Warm-up Procedures

- All divisions will play best of 3-set formats. Divisions that have 3-team pool(s) with no cross-over match in combination with 4 team pools in the same division will play all 3 sets to 25. Pool finish will be based on set percentage as all 3 sets will count for finish placement. 3-team pools are not our recommended format and we will do everything we can to avoid them. However, there are times where it is completely unavoidable.
- All cross-over and challenge matches will be “match play”, best of 3 sets.
- Matches will move ahead of schedule if time allows with the following exception: Warm-ups for matches in the 15 through 18 divisions will not begin more than 25 minutes ahead of schedule.
- All warm-ups will be 2-4-4 (2 min. shared ball handling, first 4 min. court-time for serving team & last 4 min. court-time for receiving team). Teams must serve within their court-time. The team off the court should assist in ball-shagging during the on-court teams’ warm-up.

Match formats for each of the divisions will be available online at
www.advancedeventsystems.com

Officials and Team Officiating Responsibilities

The Head Official will schedule a First Referee for each match. Work teams will need to provide a Second Referee, Official Scorer, Visual Scorer, Libero Tracker and 2 Line Judges. An adult on the official roster needs to be courtside at all times. The work team needs to report to the Head Official no later than the beginning of the serving team’s warm-up. For each minute the work team is late or incomplete, one point will be given to their next opponent (up to 25-0 forfeit). Each work team must have an adult present and identified to the R1 during a team’s work assignment.

Pre-Match Protocol (All Non-Gold Finals)

- Prior to the start of the 1st set, the full teams will line up behind the service line. At the signal of the head official, they will proceed to the center line to shake hands with their opponents. The starting line-up will remain on the court for the line-up check, and the libero shall be waived in by the head official.

Tie Breakers – DO NOT LEAVE THE HALL AFTER POOL PLAY UNTIL YOU KNOW THE RESULTS OF YOUR POOL

The Tie Breaker Procedure outlined below will only be enforced in the event of a 3-way tie in which one of the teams would be eliminated from moving into the Gold Division. For all 2-way ties, the team that won the pool play match (head to head) between the two teams tied for position will take the higher position.

- **3-way ties for non-gold division placement will be decided by the following CRITERIA:**
 - Match %: matches won divided by matches played
 - Set %: sets won divided by sets played

- Point %: points scored divided by the total points scored by the teams opponents in that pool
- Coin Flip
- **3-way ties for teams all moving onto gold division placement will be decided with CRITERIA above**
- **3-way ties for 1st place, with 2 teams moving into the Gold/Championship Division**
 - The team with the greater set %/point % (as described in the CRITERIA above) shall be awarded first place. The other two teams shall play one 15-point set for the remaining playoff position. The team that wins the playoff set will be awarded 2nd, the loser will be awarded 3rd. The team that was awarded first will provide the work team for the play-off.
- **3-way ties for 2nd place, with 2 teams moving into the Gold/Championship Division**
 - The teams will be seeded using the CRITERIA above. The team seeded 1st will be the bye team and play the winner of the set between the two remaining teams. The team that was seeded 1st will provide the work team for the 1st playoff set. The loser of the 1st playoff set, will be the work team for the 2nd playoff set.
- If, due to formatting, there are any other tie scenarios, the procedure outlined in the USAV 2017-2019 Rule Book will be followed.

*****If one of the teams in a 3-way tied pool leaves the site before the determination that a tie-break is necessary, that team will automatically become the lowest placed team (among the teams that are tied) and the remaining 2 teams will play one tie-breaking set to 25 if needed, with a work team to be assigned.***

Rules of Play for Youth Divisions and Youth Boys Participation*

- U-11 Divisions will use the same rules as U-12 but allow for the step-in on the serve as above.
- U-10, 11, and 12 boys' teams will be allowed to compete in girls' events at age level.
- U-13 and 14 boys' teams are allowed to compete in girls events up an age level.
- Co-ed teams with no more than 3 boys on the floor, at any one time, are allowed to play in girls events at age level.

*AAU Girls Nat'l Championships does not provide for boys participation on girls teams or in girls divisions.

Code of Conduct / Disciplinary Action

Any participant listed on the Official Roster who is causing unfavorable situations either prior to, during, or after the event is subject to disciplinary action by the Tournament Director(s).

ATTENTION

Anyone discovered in possession of or consuming illegal drugs, alcohol, tobacco products, or e-cigarettes (vaporizers) will be immediately expelled from the event. Additionally, anyone in possession of illegal drugs or alcohol will be expelled from the event.

There are no warnings for possession or consumption of illegal drugs, alcohol, tobacco products, or e-cigarettes (vaporizers) for players or any other underage person whose name appears on the tournament roster. Expulsion will be immediate.
