GENERAL INFORMATION

Spectator Limitations - We wanted to provide an opportunity for the maximum amount of players possible in doing so we will have limited spectators at this event. This is an "immediate family" event. There is not room for all grandparents and extended friends and family members. There will be time for that.

The following procedures should be followed:

You may be present in the GYM if your team is currently playing. If your team is not playing (i.e.

Reffing or bye we ask that you please Exit the gym and stay in the commons area due to space constraints.

Seating will be LIMITED. Each team will be allowed one cooler for food and will need to condense there area in a smaller space. You can park in the school parking lots, please do not block fire hydrants or emergency access areas. Food can be brought into the facility, but no plug-in devices are allowed. Please clean up your messes! DO NOT PARK IN THE LOOP - RED CURB!

- Food is allowed in the commons. There are tables available for use. We will have on-site Concessions as well.

- Chairs (Camp Chairs) are not allowed in the gym.

- A tournament representative will check you in. Please make sure to find someone before you leave so we can assure that your area is clean and that you haven't forgotten anything!

- NO GUM on courts!

- No pets are allowed in the facility.

- WATER ONLY (no food/other drinks) IS ALLOWED IN THE GYM OR ON THE PLAYING SURFACE—THIS INCLUDES THE SCORER'S TABLE!! Sports drinks are NOT water and are sticky when spilled.

- Please supervise all children.

PLAYING INFORMATION

In the spirit of "Friendship" this is a NON-FORMAL competition. Teams do not need to have regulatory uniforms but are encouraged to dress as a team or wear fun shirts. NO Championship matches or prizes.

Coaches will be allowed to correct line ups and rotations as we understand this is the first time you are likely playing with your team and in some cases the first time kids have played in over a year. With that being said, please be respectful of time. If your corrections are going to take over a minute you should use your time out. We will be using a modified scoring sheet and a flip. No libero tracking. This is an opportunity for you to work out your team kinks before we hit the full tournament scene. In summation, "worry about what is happening on your side of the court."

We will not have a day official on site. There will be a tournament director that will help the flow of matches and answer questions but we will not be fielding any "petitions" or reffing issues. Make a collaborate decision and move on. We ask that you RESPECT your competitors and tournaments hosts above all else. Failing to do so could result in your team or clubs official "un-invite" from future Yakima Elite events, **THIS INCLUDES PARENTS.** Please disseminate this information down to the player/parent level that this is a LEARNING event.
