ROUND 1: 16 pools - 13 x 4, 3 x 5

ROUND 2, DIV. 1: 8 pools - 8 x 4

ROUND 3, DIVISION 1: 8 Crossover Matches

ROUND 2, DIV. 2: 9 pools - 8 x 4, 1 x 3

ROUND 2, D1 (2/3 - 25,25,15)

ROUND 3, Crossovers (2/3 - 25,25,15)

Each team begins with an initial seed which is listed in paranthesis following the team name. At the end of pool play, if a team finishes in the same position within their pool as they originally started, they retain that seed. If they move up or down within their own pool, they assume the seed of the new position they are in. As an example, if the team listed second in pool R1P15 (18th seed at outset) were to win that pool, they become seed # 15 for the subsequent round.
