ALL Junior Players have been automatically enrolled in the courses they need any can access the information by clicking on ENROLLMENTS once they are in the USAV Academy and click on the course to access each module. Once each module has been completed their certification will update on their account/roster.

Officials & Coaches will need to click on CONTENT LIBRARY to select the course they wish to register for and THEN can access the modules. If you return at a later date/time to finish your courses, you will access them through the ENROLLMENTS tab.

• Junior Coaches will select the EV21-120 Junior Coach Officiating Training
