- Tie Breakers:
 - Three-Way Ties - If 3 or more teams are tied in match record for first or second place in a pool, the ties are broken by applying the following steps, in order, without repeating any step. Head-to-Head results will not be used at any time in breaking a three-way tie:
 - 1. Determine each team's set percentage (divide each team's total sets won in the pool by the total sets the team played). The team with the highest set percentage is first.
 - 2. If some or all of the teams have the same set percentage, then determine the point percentage (divide each team's total points scored by the total points scored by all the team's opponents in that pool).
 - a. Of the teams still tied, the team with the highest point percentage has

the next highest finish in the pool (finishes either first or second, depending on the outcome of the set percentage).

- 3. If two or more teams are still tied:
 - a. Coin toss
- Two-Way Ties - If a two-way tie exists, the tie will be broken using the head to head match result
